SA Country Carers is an approved Provider for the National Disability Insurance Scheme

### SA Country Carers welcomes Eve Rogers, CEO

It is with great delight that I begin my appointment in the position of CEO, at SA Country Carers. Firstly, let me begin by thanking and acknowledging the exceptional work of Sandra Watson and the whole team, particularly in keeping everything going, while recruitment and appointment was made.

I began on Monday 17 August and have been on a very steep and motivating learning curve since then. I am enjoying the challenge immensely and have already met some exceptional people, doing remarkable things in the Mid-North community.

After my appointment I moved to Clare from the Riverland, where I have lived since 1998. I have two young boys (8 and 6) who will be starting at a local school in a couple of weeks and I have just celebrated my 16<sup>th</sup> wedding anniversary with my husband, Jason.

My previous appointments have been in Senior and Executive Management across the Riverland and Murray Mallee regions, in both the education and health sectors. Most recently I was the CEO of a private organisation running the Accident and Emergency service out of the Riverland General Hospital, in Berri. These positions have provided me a great deal of knowledge and experience, particularly in regard to the health provision hurdles presented to people living in rural and remote areas of South Australia.

Already I can see the quality of work underway within this community and within the business; I am heartened by it.

I intend to work with the team in concentrating on continuing the quality of service and support, already in place. With the changing face of funding for the sector, I am sure I will enjoy the challenge of making it work for this organisation. At the heart of everything will be ensuring a positive and productive culture, with the SA Country Carers' most prominent, those being; professionalism, equity, teamwork, collaboration and empathy.

Here's looking towards a bright future for all of us at SA Country Carers!

Regards, Eve Rogers.

## Saddleworth Op-Shop turns 2!

On Friday September 4 volunteers and staff will celebrate the SA Country Carers Op-Shop's second birthday. Since opening the doors on September 6, 2013 volunteers and staff have worked tirelessly to ensure that the

op-shop provides people in our community with affordable goods, and a friendly community atmosphere. Led by Margaret Wayman, the opportunity shop has achieved great things over the last two years and has grown the volunteer base to 10. The shop has proved a hit with locals, many of whom frequent the shop on a weekly basis for a chat and a shop.

**“Lots of people come in every week to see what’s new and have a chat. It’s a good place to be and has a great community feeling”**, Margaret said.

The op-shop is always looking for volunteers and donations are always welcome to ensure that there is always something new to offer. If you would like to find out more about donating goods, or volunteering, please call 1300 686 405.

On Friday September 4 the op-shop will host a morning tea to celebrate the second birthday. The celebration will run from 10am—12pm, with morning tea provided. The op-shop is located at 8 Belvidere Street, Saddleworth.

## Young Carer School Holiday Fun

In the July school holidays Carer Support staff accompanied Young Carers from across the Mid North to 'Bounce' in Adelaide for a day of jumping and bouncing on enormous trampolines. The morning was enjoyed by all who

attended, with Young Carers from 8 to 16 all enjoying the fun participating in different trampoline games and activities. The Carers enjoyed lunch at Hungry Jacks and playing chasey in the playground before everyone piled into the vans to come home. On the way home everyone said what a great day it had been and that they can't wait to visit again.

## Carer Wellness Workshop

The recent Carer Wellness Workshop was well attended. We heard from 3 different speakers. Meg from the Medical Centre spoke about different ways to help care for physical health including care plans, skin checks, and Webster packs for easy dispensing of medication.

We were able to pick up some good tips from Kerry from Life-styles fitness Centre to help us to maintain muscle strength and coordination. There is an opportunity to come and try different activities at the Centre for \$5.00 for an hour session. A great way to see what the Centre has to offer and meet Kerry who is very encouraging and keen to help anyone to improve their general health and physical strength and reminded us of the great benefits of exercise to mental health.

After a cuppa and some tasty scones, a special order from Clare Rise Bakery, we enjoyed a session of gentle relaxation exercises with yoga instructor Jan Olssen. We all felt the benefits of this time which was a great way to end the morning.

## Christmas in July

This year SA Country Carers held two Christmas in July parties to encourage Carers from around the region to attend the event closest to them.

### Clare Christmas in July

It was great to see everyone enjoying themselves at the recent Clare Christmas in July. Thanks go to the Middle Pub this year for the festive decorations and nice meal. The theme was “keeping things simple”. We were encouraged to make some time for something that we really enjoy such as Sudoku, crosswords, gardening, reading with a cuppa and chocolate, or doing some craftwork as a way to balance the challenges of the Caring role. Staff members Amelia and Lynne dressed for the occasion in traditional English Christmas jumpers! Perfect for the Clare winter.

### Balaklava Christmas in July

We had a great attendance at the Balaklava Christmas in July, and everyone chatted and enjoyed the afternoon, it was great to see people moving around and sitting with different people throughout the afternoon. The group went to the Terminus Hotel, and they did a wonderful meal and decorated the room very nicely. All our Carers received a small gift that went with the theme for the day of “keeping things simple” It was also Mandy’s last day with us and everyone was able to say goodbye, overall we had excellent day!

## Ageing in style expo—Two Wells

SA Country Carers had a stall at the 2015 Aged Care Expo which was held at Two Wells on August 13th. The hall was packed with different service providers with lots of information on offer. There were some local traders as well. The Expo was attended by a large amount of people who chatted and mingled, coffee and scones also added a lovely homely feeling. Staff caught up with representatives from Anglicare, Southern Cross Care, Relationships Australia and local medical clinics as well as many more services. It was a great opportunity for SA Country Carers to network and learn about other services in the area.
